## Overview

The Delaware National Guard's mission is to be the preferred military service organization, in a way that is responsive to federal, state and community missions. The Delaware Army and Air National Guard are federally-authorized military forces with both federal and state missions. The federal mission is to maintain properly trained and equipped units available for prompt mobilization in the event of war, national emergency or as otherwise needed. In this capacity, command and control is within the purview of the President of the United States. The state mission is to provide trained and disciplined forces for domestic emergencies or as otherwise required. In a peacetime environment or operation short of federal mobilization, organizational command and control is directed by the Governor of the State of Delaware. The Delaware National Guard employs a full-time and part-time workforce, who are paid using federal, state or combined funding sources.

# Delaware National Guard

The Delaware National Guard's current activities in support of overseas contingency operations and other operations, augmented by Army and Air Force active duty personnel, currently includes a total of 37 soldiers and airmen deployed throughout the world. This relatively small number reflects the fact that the many hundreds of National Guard service members have now returned home after lengthy periods of service around the globe, supporting both Army and Air Force military missions.

The educational experience at UD is one of intellectual fulfillment and preparation for productive careers. The first concern of UD's program of instruction is to provide rigorous and demanding standards to develop primary linguistic, cognitive and information skills in students for success at UD and in postgraduate life.

UD exists to cultivate learning, develop knowledge and foster the free exchange of ideas. State-assisted, yet privately governed, UD has a strong tradition of distinguished scholarship, research, teaching and service that is grounded in a commitment to increasing and disseminating scientific, humanistic and social knowledge for the benefit of the larger society. With roots reaching back to 1743, and chartered by the State in 1833, UD is a land-grant, sea-grant and space-grant institution.

UD is dedicated to outstanding undergraduate and professional education and serves as a major research university with extensive graduate programs. University faculty are committed to the intellectual, cultural and ethical development of students as citizens, scholars and professionals.

Graduates are prepared to contribute to a global society that requires leaders with creativity, integrity and a dedication to service.

As an institution engaged in addressing the critical needs of the State, nation and global community, UD carries out its mission with the support of alumni who span the globe and partner with public, private and nonprofit institutions in Delaware and beyond.

**Agency** - Any board, department, bureau or commission of the State that receives an appropriation under the Appropriations Act of the General Assembly.

**Appropriated Special Funds (ASF)** - A type of funding appropriated in the Budget Act. Revenue generated by fees for specific, self-sufficient programs.

**Appropriation Limits** - The amount the legislature is allowed to authorize for spending.

♦ **Operating Budget** - The State Constitution limits annual appropriations to 98 percent of estimated revenue plus the unencumbered General Fund (GF) balance from the previous fiscal year. To appropriate more than the 98 percent, the legislature must declare an emergency.

♦ **Capital Budget** - Legislation sets three criteria. (See **Debt Limit** for details.)

**Appropriation Unit (APU)** - Major subdivision within a department/agency comprised of one or more Internal Program Units.

**Appropriations Act (Budget Act)** - Legislation that is introduced and passed by the General Assembly for the State's operating budget. **Bond and Capital Improvements Act (Bond Bill)** - Legislation that is introduced and passed by the General Assembly for the State's capital budget. This bill appropriates money for items that have at least a 10-year

life, including construction of buildings, land acquisitions, water and wastewater infrastructure, drainage projects, etc.

The General Assembly by three-fifths vote of the members elected to each House may appropriate from the Budget Reserve Account additional sums as may be necessary to fund any unanticipated deficit in any given fiscal year or to provide funds required as a result of any revenue reduction enacted by the General Assembly.

**CIP** - Capital Improvement Plan.

**Continuing Appropriations** - Unexpended funds that do not revert to the GF through legislative action at the close of the fiscal year, but remain available in the agencies for expenditure in the following fiscal year.

## DEFINITION OF BUDGETARY TERMS

2. No “tax-supported obligations of the State” and no “Transportation Trust Fund (TTF) debt obligations” may be incurred if the aggregate maximum annual payments on all such outstanding obligations exceed 15 percent of the estimated GF and TTF revenue.
3. No general obligation debt may be incurred if the maximum annual debt service payable in any fiscal year on all such outstanding obligations will exceed the estimated cumulative cash balances.
